

The Surgery and Parish Council are jointly funding the installation of a Village Emergency Defibrillator and associated training to enable villagers to use this equipment in emergencies.

As part of the project we are arranging awareness sessions in conjunction with Staff Development and encourage you to attend one of these as per the details below.

Someone collapses!....not breathing?

Now what?

Learn when and how to use your new village *Defibrillator* and how to do *Cardiopulmonary Resuscitation (CPR)*
